

**MATTOON ATHLETIC SUPER BOOSTERS  
MEMBER PRIVILEGE INFORMATION**

*(Reminder: Super Booster passes are not honored at Tournaments)*

The **Super Booster Club** is an organization, which supports both our Junior High School and High School (Boys & Girls) Athletic Departments. When needs for the Athletic Department arise and cannot be met through the school district budget, the Booster Club will take on some of those special projects. Some examples would be scholarships to seniors (the Booster Club awards four each year), and needed equipment and uniforms for teams.

We are asking for your support and participation in the **Super Booster Club** for the upcoming year. You may join the Booster Club by contacting Jerry Williams (254-5047) or Brenda Turner (238-7825) at the Mattoon High School Athletic Department. You may also call if you have any questions.

Below is an explanation of our different memberships, which are available. Please read each individual package and pick the one that suits the needs of your family.
